Next, select your pick-up site. (Click on "I want this site button").

If you need directions to the site, select the Directions to Site button Go ahead and select "I want this site" button under the Clark Park Community Garden icon.

Note the pick-up times and location and click on the 'Choose' button.

One of the great features of this software is that you will only have to tell us when you DON'T want a bag! Otherwise, your subscription will auto-renew.

On the following screen you will be able to select what size bag you want. If you are paying with credit or debit card you will choose Grande – auto renews or Standard – auto renews.

If you are using your SNAP / EBT card as payment you will choose Grande – 1 delivery SNAP / EBT or Standard – 1 delivery SNAP / EBT. Your EBT selection will also auto-renew.

Choose your bag and then click on "Add to basket." **

** If you would like to order more than 1 bag, you will need to go through the ordering process again.

Once you have added your bag to the basket you will come to the following screen where you may choose to add any of several items to your bag.

At Clark Park we are pleased to offer add-ons of local goat cheese, pecans, pinto beans, raw honey, wheat and white sourdough loaves and occasionally fresh eggs. We even have included an opportunity for you to choose to support the garden with a donation to help with our garden make-over!

You have 2 options to add extra items to your Farm Bag.

- Click on the Clark Park Add-ons button in the column on the left.
- Click on the Clark Park logo in the center Add-ons section

You will get an email confirming your order and payment.

Thank you for your support for Clark Park Community Garden, as well as local farms and Sun Produce Co-op.

You are ordering a subscription that renews automatically after every delivery. Your credit card will be charged weekly for the next scheduled delivery, except for deliveries you put on hold and until you cancel your subscription. Your first delivery will be on Saturday, Aug 08. If you have signed up for the SNAP/EBT (noted as "check") payment method, please bring your SNAP/EBT/QUEST card to each pick-up. You do not need to send or bring a "check." Please understand that we do not guarantee amounts in each share, and we don't offer refunds if disaster strikes. What we offer is hard work, creative brinking, and a long-term vision that continues to provide, over time, a piece of land that is increasingly able to grow as much high-quality food as our membership requires.
