HOW TO PUT YOUR BAG ON HOLD: If you wish to place a future bag on hold, click the date on the delivery calendar then click the Hold Delivery button:

The screenshot shows the user's account page for 'Eddie Case'. The main section is titled 'Delivery: Rover Farm Fresh / Grande' with a pickup date of 'Nov 26, 2021' at 'Rover Elementary School'. A yellow circle highlights the 'Hold Delivery' button. Below this, there's a 'Subscription' section for 'Rover Farm Fresh/Grande' and an 'Add-Ons' section featuring 'Raw Honey 8oz Glass Jar'. On the right, the 'Delivery Calendar' for November 2021 is shown, with the 26th highlighted. A legend explains the calendar colors: Scheduled Box (green), In Process (yellow), Delivered (light green), On Hold (light yellow), Farm Vacation (pink), Canceled (light pink), Multiple Boxes (light blue), and Moved From (light blue with diagonal lines). A note at the bottom of the calendar states '1 pre-paid deliveries remaining'.

Congratulations! Your future bag is now on hold.

This screenshot shows the same account page after the delivery has been put on hold. A large red 'On Hold' text is overlaid on the subscription details. The 'Get Delivery' button has been replaced by 'Get Delivery', 'Shop for Add-Ons', and 'Next week' buttons. The 'Delivery Calendar' on the right remains the same, with the 26th highlighted and the '1 pre-paid deliveries remaining' note.

Please note. Placing a future bag on hold does not cancel your subscription!
