How to Sign-up for a Farm Bag

One of the great features of this new software is that you will only have to tell us when you DON'T want a bag! Otherwise your subscription will auto-renew. That means that once you sign up you will continue to receive a Farm Bag every delivery week until YOU decide to cancel.

You may subscribe at any time and won't have to wait for the next session to begin. As a subscriber you will have your own account with a delivery calendar and you can put a hold on the weeks that you can't pick up - you won't be charged for hold weeks. You will also be charged on a weekly delivery basis rather than for 3 weeks at a time which may help your budget.

On the following screen you will be able to select The Farm Bag for weekly delivery.

Choose the bag and then click on "Add to basket."**

** If you would like to order more than 1 bag, you will need to go through the ordering process again.
